HAIR CARE

brilliant™ damage control™

POSITIONING STATEMENT

Helps protect from thermal and UV damage and reduce breakage for all hair types.

INGREDIENT BENEFITS

- Wheat proteins help protect hair from being overworked and stretched
- Organic aloe helps tame frizz while adding shine
- Black tea has astringent properties that help prevent hair from becoming oily

USAGE/APPLICATION

- Spray liberally on towel-dried hair to help protect hair from thermal styling, sun damage and breakage from combing. Spray lightly on dry hair to help revive a style or for extra UV protection.
