cuticle control™

BODY CARE – HAND/FOOT CARE

cuticle control™

POSITIONING STATEMENT

A gel that helps minimize cuticles leaving a groomed, manicured effect.

PRODUCT BENEFITS

- Aids in the easy reduction of unkempt cuticles
- Softens and soothes cuticles, leaving them looking well-groomed

INGREDIENT BENEFITS

- Coconut, corn and other plant-derived humectants—provide easy removal of dry, brittle cuticles
- Potassium hydroxide, an active, mineral-based ingredient—breaks down the protein bond in cuticles, providing ease in reducing unkempt cuticles
- Organic aloe vera—helps soothe skin

PARTNERS WITH

- Hand Relief™
- Foot Relief™
- Beautifying Composition™ may be left on the cuticles as a moisturizer

USAGE/APPLICATION

- Apply liberally to freshly cleansed cuticles on hands and feet.
- Leave on 3-5 minutes.
- Gently push back cuticles.
- Rinse well with warm, soapy water.

WHERE IT FALLS IN THE RITUAL

- Use weekly or as often as needed to reduce problem cuticles. Follow with Hand Relief or Foot Relief.
